He has METRO PCS on 2021 year (8328869096) . This is the year that the COVID -RED project began which he contributed to, so that he can swap identities with many US citizens. These IDs were retained thru parallel digital project, stealth ops, enabled by BROADCOM INC products and HOTSPOT shields.

WELLS FARGO for ALMA DIANA DOZAL DE HOYOS 2021 used for bankruptcy to enable involuntary transfers of control systems in-housed by resource.

Fabricated lies that I sold my son to an older man named Gary Neal Huggins, that I stole a distress0signal that belongs to a global organization from Gary Neal Huggins 8328977077 1205 Witter Street, Pasadena Texas and that It is also Michelle Pate and Amberlyn McArtney who are going to shoot at me with a shotgun by their impersonated white family members who are not related to her by are the SMITH FaMILY of bounty hutners that have activated a digital ID so that I could be an empath advanced into direct linkage to their family support network!

MEXICANS ARE TRYING TO TAKE OVER MY NAME.

A BI TELECOM APPLICATIONS has merged a digital twin Bot2Bot digital twin, so that all of my private originating information can violate my moral international human rights.

Amberlyn was NOT RAPED nor was there ANY SEX.

DETAILS ARE REALLY ABOUT MY MOTHER and TINA MARIE RAMOS becoming really JEALOUS and ENVIOUS AGAINST the fact that I like recording videos of myself while I am in the restroom of my butt cheeks and playing with my sex toys or as a transsexual with a face-mask.

ALL OF THESE ARE ENTIRELY MY RIGHTTS,

ALMA DIAN DE HOYOS and ESTEBAN TAMAYO SHIELF FOR A MEXICAN FROM THE WHEELHOUSE from DEERPARK TEXAS and AA group meeting place. And ALFRED GALINDO THE OTHER CO-SIGNER for CLIENT SPN02399218.

CLAIMS THAT A DIRTY COP is going to shoot me on my back but no one will discover it because it is done thru a parallel layer, infra shield project that enables the attire of identity data mimic or mock IoT

The A-Mobile Bail Bonds owner Larrry Smith/ Thomas Smith have a T-Mobile RF management network which was used to activate intrinsic endpoint thru Naval veteran, Jason Carl Pennington’s retained comm information, such as the concurrent network extension. Giving consent for acquisition of service. (irradiate parameters).

My IP eUID is active under deployment status, which detaches or rather adapts a new digital time-server for monitoring radius-watch and other experimental interface / special ops.

Upon doing an about-face 180 degree turn it constricts continuity of cerebral vascular blood-flow causing me to fall-almost. Has happened once when I was residing with Jason Carl PEnnington

please stop a generative AI and a bot directed by an IVY telecom payment auto-pilot from progressing its global supply chain that has a tracking application linked to MRI clinical personal data. It gives insight to resources that contain historical memory data used for target and merges with node telecom IP data. unparallel foreign details harnessed please read my PDF My name is Erik Ivan Rivera, DOB: 2/15/1991, SSN:9504, TID:27723178.. My own mother Alma Diana de Hoyos has givn mu information up a a mexican drug/ human traffick cartel , I have been involuntarily been corresponding and enabling direct interfaces with multiple parties via an advanced communications/ info-sharing network. This is done out of a hate crime who is using cell-site simulators and roving TAP, so that I can be publcly humiliated for my private in-house affairs. Complex network is processing sensitive details reserved on an open-source global cloud-server . This party has been committing indecency, and using infomation retained fby using my origin as the subject-data to decentralize copy-works, without my consent. For over 6 years I have been deling with unexpected communications intelligence, and I do not have a clearance for classified information. This is done with intent to cause liabilities against the naional security, and used to distort market allocation, bid rigging, interfere with business signal, and to enable access to Trusts Market Securities. A convergent AI system is used to enhance client-attorney interfaces, and violate HIPAA rights. Damages are done, my finger was amputated from assaults caused by aggressive enhancements caused by a radius reactive parameters.

The cartel is alleged to be related to my mother’s sister Sandra Dee Hoyos and her sister LILY AVILA and her HUSBAN WILLY AVILA, who do not KNOW are being enhances thru an ACTIVE DUTY toggle on/off simulator or the-like accessibility for a military reserves global tracking/ interface server.

The digital business twin is virtual persona is used to mimic several behavior and voice data qualities from the involuntarily TAP human data-subject. The externalization occurs from the digital to the physical replicated resource via a 3D map, spherical coordinate system.
