to amt

Hello, I am writting in request that you guys can help me investigate an internal issue that is causing a vulnerability to sensitive information data and e-Protected Health information.

My ex caused a breach after stealing my Social Security Number and used it to fill out applications and to grant consent to other federal acts that may also be known as Military "secret".

This started after teaming up with his friend named Larry Smith from the A-mobile bail bonds agency.

I am currently exeperiencing very foreign phenomenons and events that I have not disclosed or shared to anyone, and i understand that it is related to Artificial Intelligence/ machine learning, using algorithms linked to Neural Networks.
I was put under his surveillance without my authorization around the year of 2018 month of March.

This breach disclosed my personal sex life involving intimate partners and relationships. It also caused a Hate prosecution on me by Larry Smith's T=mobile Network for being an "in-the-closet" thong dresser who took pictures of his ass.

This has progressed into a power that is now attempting to place me under an enslavement for human subject experimenting without

consent. It has other men retrieving CSLI records who also mimick my actions and buy the same cellphones that I do. This Cyber Gang Stalking Has evidently been going on for over three years.

There is a circle who got a hold of my Pii and have managed to engage me in what seems to be a resiilent network 1, A Neural Network involving Algorithms, Dielectrics, Algorithms and Perception APIs.

Every time i make expert reports He bounces back my emails. He does not allow my Messages to reach anyone. All of my emails have been hacked.

There is a criminal named Esteban Tamayo, Who unlawfully committed fraud and forgery through the United States system to get a badge and is now threatening to deport me to south america.

It is very serious, not only is it promoting copyright infringement, but it is also disclosing intellectual property without authorization.

My ex-partner Jason Carl Pennington, is a Navy SEAL veteran, moved to 62 Navasota Street, Austin, Texas after he stole my social security card while we were living in SILVERADO APARTMENTS.

He has committed this act without a warrant from any federal law enforcment, nor from his military base he has been trained for cryptographic communications, he has easily violated my privacy to eavesdrop, and committ electronic surveillance on me, and also has been broadcasting my sexual life, to others that I do not know that has allowed him to make money out of me for providing a carry for his business or company and servicing an intelligence communications network without me receiving payments, nor benefits for the involuntary vehicle I currently provide as a business, without an LLC (due to financial breach).

I Believe that Gary used my google account Ivanspider22Agmail.com to spread videos and pictures of me engaging in sexual behavior with other men,

There is ABSOLUTELY no reason for me, nor my family to be prosecuted, and the whole Network knows this, yet the computerized APIs,

Algorithms have distributed a string, Python code, and more advanced Intelligent DevOps used for script key writing to downlink from different Unions, Organizations, and other entities, so that It can cause a negative and harmful effect on me, my friends, and my family.

The other Co-signer, Alfred Galindo, also fell into the breach by the exposure caused from the A-Mobile Bail Bonds, who has a form that authorizes the agency to look at your FEDERAL CREDIT UNION records. Keep in mind that the form does not ask for permission to use your credentials for experimentation, incorporation of entities, unlawful searches, and the prolonged surveillance and monitoring although the bond agreement was dismissed three + years ago.

The entity that has been incorporated or in sync with me is able to override environmental energies. I am sure that it is a Federal Bureau of Investigation and sensitive matter OR a matter of C.I.A. or C.I.S.A.

Here is a fact, I am constantly facing accusations that state that it is one of the three syllable password belonging to a fraternal brotherhood, as Jason and Alfred have accused me of.

Truth is that Gary who is advanced and Master of His degree, is the man who visibly gave me the instruction to repeat after him to ensure that I memorized his password correctly, Note that I did not ask him for it, nor did I know anything about this organization, nor who his fellows are. I did as he asked and conveyed it to a lawyer at the following court date. These are the only men who have ever known anything involving that password and me.

The truth is that after Gary picked me up one day and drove me to his house, he began insisting that we have fun, but I had to let him buy me a thong from the dollar store, so that I can wear it. After taking pictures he showed me a website on his cellphone called NastyKinkPigs.com and then he told me that it is a ritual and asked me if I want him to be in the movie with him. This kind of gave me a head up that there was already a prior engagement with a movie operation.

Recently around the month of August, 2022, I discovered through the website "ZOOMINFO" that NASTYKINKPIGS, https://www.zoominfo.com/c/nastykinkpigs/450773381.

- NastyKinkPigs is in the industry of: Internet Service Providers, Website Hosting & Internet-related Services, Telecommunications, Telecommunications

- The technologies that are used by NastyKinkPigs are: Amazon EC2, Cloudflare CDN, Amazon Simple Email Service, nginx

This is when I found out what company is involved through the use of their technologies involving these Telecom Netops is what has been intruding and happening to me.

There is the rumor being spread that I SOLD my son ZAVIER IVAN RIVERA to Gary Neal Huggins and the Admitting that Alfred has been the one who was writing my son's name and my name as a sign on seperate occasion to give me hint to his mystery.
What I did not understand, is that Not only was it My initials, It also on a few occasions, The acronym for "MS-13" and The initial "E and S" also the initials "S and Z".
That followed me for a while and because Gary had mentioned the name of Satan to me, after the dirty talking involving sexually abusing toddlers even after I told him to "PLEASE STOP talking like that because I have 2 kids and it does not turn me on. This occurred during scenario where we were laying on his bed while he foreplayed with my P***s.

A few days later I seen that someone drew what seemed to represent a man and a boy that had a stick shoved up the mans ass and he was missing his arm, legs, the boy was also dismemebered, and they were also burn.
Just yesterday I made a phone call September 1, 2021 to a Member of A federal Department, and before hanging up he dismissed it with a statement that said something similar to have a good incremation.
I do not know if this is just a testing or Role-Play Ritual involving metaphysics, Quantum, Augmented realities, Hybrid connections.

It has delivered significant damages, affecting CNS, Physical and mental. It has caused a development of P.T.S.D, and the cyber stalking of a Union that was called on by Mark N and his step sister Edna.
These guys have intetionally contributed to the organized crime, simply because Mark wants to get paid money from viewers that like to see men suffer, bleed and be amputated while making a movie called "How

ivan dies for his family".
He has spread this rumor several different ways.

Another subject to take serious is the fact that Alfred Told me that I Had a Mirror cast over me, which is employed and deployed by IT applications, and I am sure it involves Cell Site data Tracking and small cell synchrony.
I Heard that it is used to blind me, so that I am not able to really see what is happening in my reality and so that I do not panic during the "Mexican Execution" proposed by Alfred, who proposes to carry a machine gun, Gary who mentioned a "double sawed-off barrel shotgun" and Dougie who is said to be committing his first execution.

I have various reports with the Houston Police Department, surrounding precincts, FBI, Federal Trade Commission, Federal communication commission, U.S supreme Court, Health and Human Services, and other depts.

The beginning of the ritual started with a foreign group of black ladies following me everywhere whose behavior showed a synchrony that was showing that they are ahead in time and whose physical movements were based on my movements.

I am falsey accused of being a pedophile, because I have a indecency exposure charge on my background against a girl name AMBERLYN MCARTNEY who was alleged to be Thirteen while I was Tewnty-one and said to be having sexual intercourse with me.
I was arrested on those charges and incarcerated for over two years.
The forensics provided evidence that She was a virgin and showed no traced of sexual contact, yet the State of Texas failed to Dismiss the charges presented against me.
During the incarceration I called her mother, Who is also a long time friend, Michelle Pate @ 2812212329. During this call she told me, "why didn't you just tell me that you and Amberlyn had screwed around?, I would not have done anything." This is recorded on phone system at SECURUS TECHNOLOGIES, securustech.net.
There is now present on record a few cases found under the United States District Court Southern District Houston Division that have the Title showing me, ERIK IVAN RIVERA as Plaintiff, Michelle and Amberlyn as defendants, and there is also another showing me against A-MOBILE BAIL BONDS, Mark Daniel Niemic, Gary Neal Huggins, Alfred Galindo, Diana De Hoyos, Alfred Galindo and Jason Carl Pennington in civil suit and request for Relief and restoration of Health and in request for the supporting document for the granting of a Petition for Name Change for Adult, and Social Security number, To help me Evade these foreign entities, energies, persecuting dangers, and hackers.

There is also the false accusation that the reason that they are choosing to execute me is because I licked Amberlyn's sister's "Vagina" which is rumored by Jason, Alfred, Gary, and Mark Niemic Who falsely claim that She is their daughter. Along with this once you receive the unmodified record of the In-corporate SubChannel data extraction showing several times where I am threatened and boasted on because He claims, "WE CAN FIND YOU GUILTY OF ANYTHING AND EVERYTHING THAT WE WANT, SIMPLY BECAUSE WE HAVE CONTROL OF YOUR NERVOUS SYSTEM, WE CAN USE IMAGINATIVE THINKING TO PRODUCE SUB DBZ SCENARIOS TO SHOW YOUR AVATAR COMMITTING THE ACTS WE CHOSE.

The owner of the bail bonds has websites showing that he has the credentials working with DIELECTRICS, CELL SITE DATA MAPPING, SPECIAL TASK FORCE OPS, and also to Manage the (RF) Radio-Frequency for his strategy of Network.

The following is a report giving more highlight to the timeline.

I am requesting for the introduction and acceptance into the student class that teaches how to access and work these eHealth Networks, and through the Securities of Exchange.

There is an infra Curtain that has enabled someone who gave me the name of BOB who was introduced by Dougie to me, that was without consent, airdopped over me, and as i recal BOB was holding on to a controller that was used as a KNOB to what felt like is a Push into a parallel plat form or plane. Every where that I go I arrive with several Vehicles who follow my direction.

I hear that this is a WWII WARFARE BOOTCAMP and that it was abandoned. Also, That If the AI, and Neural net are to disengage me from Gary Huggins, I will Become lame or die.

I am currently hearing that he is trying to illegaly deprive me of my citizenship and deported, and under the death threat to not use my SSN or any ID with The Gov, so that someone else can replicate me and take over my position.

The Mirror is reactive to the pulses released by the CNS and that this is how everyone around me becomes aware of what I am doing and so it can produce the feelings of a sensitive vulnerabilty.

I have Never Been involved in Any gangs, Nor MS-13. I do NOT want that. I want it away and that jacket is falsely accusing me.

I NEED SUPPORT enforcing my Rights and amendments as a citizen of the United States.

Esteban Tamayo should not be able to get away with these foreign and fraudulent acts, simply because he is engaged with a foreign jurisdiction, which is also Trespassing My Promised governing of Fourth Amendment and promised by the United States Constituion and seal.

These individuals have spread the rumors and are also incorporating PATENTS such as H04L and re scripting, small cell data, mapping it and modifying the structure that is running based on a script that has a completion percentage with several points or set stones alone the percentage line that indicate a new task accomplished. The ending is said to be traumatic, violent, or explosive.

I have not only been trans versed into a matrix cyber-physicial paralleled and a foreign PROTOCOL used by military training personnel where the flow of traffic and energies are always changing as they are based on your decisions and physical movements, which is almost always marked by the sound of a Loud Bang, Thud, distinct sound of a revving engine or perhaps the sound of an airplane that is overpassing. I believe that this is a FEDERAL Act and also related to "**ACTIVE DUTY**" **boot camp Trainees,** Only one that has not been authorized, nor approved by Military official, U.S. Naval Department, U.S. Attorney General, FISA, Secretary of State and also NOT ONE THAT I HAVE CONSENTED TO.

These illegal immigrants, have threatened my mother to keep her mouth shut, are impersonating her, have also engaged her into a Net used for Business, and have registered her name as a Company or Business for

his beneficial purposes. The threats have been following me by others who keep accusing me of being the reason that My mother is in New Orleans, Louisiana forced to sex-traffick and on constantly being deployed to different places.

Esteban Tamayo is the one who deprived her of her identity, and has evidently been the one who created a STATE-FARM INSURANCE DEATH-BENEFIT for my name, ERIK IVAN RIVERA, which is rare because I am healthy and in great shape. Alfred seemed to show an eagerness in the benefit and also expresses frustration at the mentioning of me reporting it, so that it can be removed. I brought this to Esteban's Attention who said he would have it removed. About two months ago, I found Another Life insurance/ Death-Benefit for my name from FARMER's INSURANCE for the same price and showed my mother DIANA DE HOYOS as the policy holder. Keep in mind that She is Impersonated or Imposter imitating her identity for reaping of benefit. After I asked my mother about this insurance policy, She said that she had no knowledge about it. Address shown on that policy is 2800 Lillian Street, Pasadena Texas, 77502.
